Sample Testing Form

Page 1 - 1

25. März 2024
V1.0

We like to handle your samples with care. Please fill in this form per computer – send hardcopy with sample(s) and per e-mail to tfam@basf-3dps.com. Samples should be clearly labeled, you can use our provided “Sample Testing Label” on our website. Samples should be also clearly labeled in accordance with legal requirements, a MSDS is needed for test article(s) that has safety concerns or if discussed previously.
